Hotel On the Banks -

Second day 2nd with

Rosie -

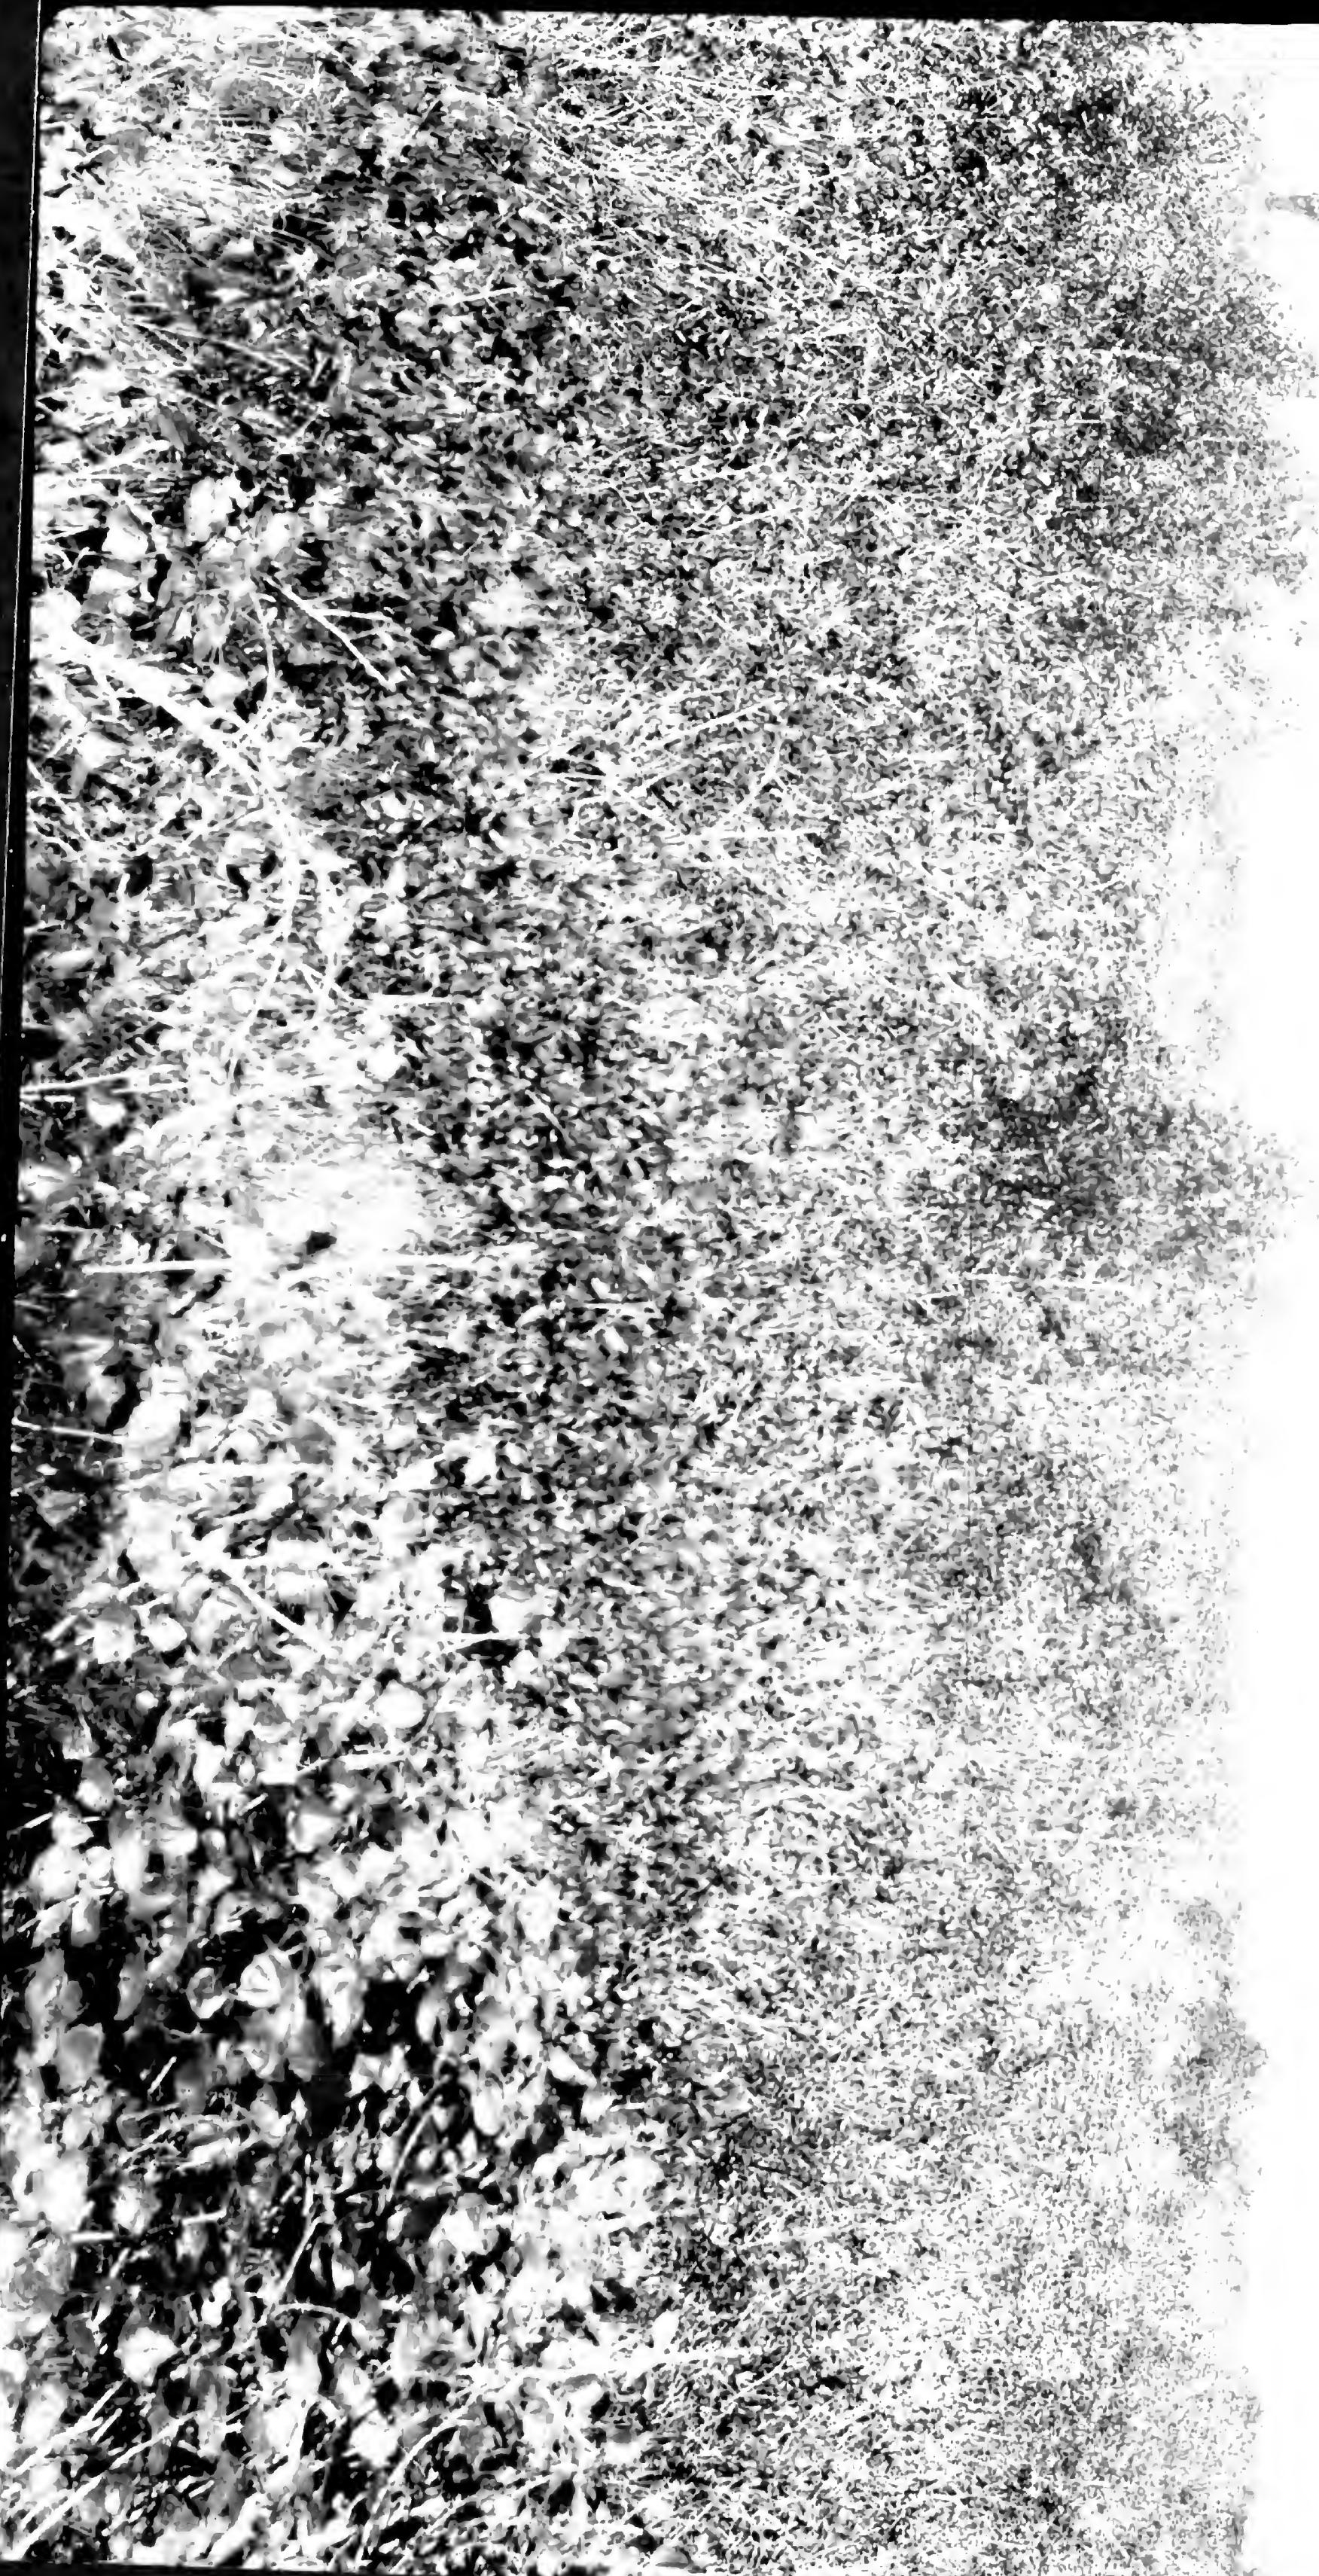

2 a.m.

Spent in trying to sleep in bed.
The sun rose in the foreground was a great
surprise. I have in the neighborhood was a great
because the night had only and
in itself the sun did not want to rise. The place
is quite a number of buildings and
chick the night. I have a clean the back and come from
mists well have a clean the back and come from

shutter of my window in the shade night.
